Special Executive Meeting - Email

In Attendance: Goodman, Sautier, McKinnon, Berry, Donegan, Deane, Korner, Hardee, Cosentino, Moro, Kelly

Absent: Swift

It was reported by Murrells Inlet Post 178 of a COVID19 breakout at their Post on June 23rd and closed down. Apparently, it happened during a meal they had. Because of these facts, Commander Sautier called for a decision of the Post 111 Executive Committee to evaluate our proposed Post 111 meeting which was to be held July 13, 2020. The plans were to hold it outside, with all CDC recommendations in place. He has asked the executive Committee to decide whether or not to proceed with the meeting or cancel it.

With the vote taken, the Commander has decided to cancel the July 13th meeting of the Post out of concern of health safety of our members.

Respectfully Submitted:

David M. Goodman
Adjutant – Post 111
